About Us

GLOBALFTI began its journey in 2007 as the Financial Training Institute, with a mission to deliver high-quality training in professional finance and accounting programs like CA, ACCA, CPA, and CMA. Over the past 17+ years, we've built strong expertise in offering world-class training, which has earned us recognition as a Platinum Learning Partner for ACCA and the distinction of being the first Approved Learning Provider for CPA Australia in India. Our strength lies not only in professional exam training but also in designing and delivering customized corporate programs. This has made us a trusted learning partner for leading organizations such as InFocus, Credit Suisse, First American India, Philips, Yodlee, Harman, and more.

Every member of our faculty brings substantial industry experience and holds professional qualifications such as CA, ACCA, CPA, and CMA, ensuring students receive practical, application-oriented learning. In 2016, we formally incorporated as GLOBALFTI Private Limited, continuing our vision of shaping finance professionals for the global stage.

Our Mission

Our purpose is to impart quality education and professional skill development to students and professionals, making them future proof.

Our Vision

Our aim is to become the top brand in education management and professional skill development in the area of finance and accounts.

Association of Chartered Certified Accountants (ACCA)

The ACCA (Association of Chartered Certified Accountants) qualification is one of the world's leading credentials for aspiring finance and accounting professionals. Recognised in over 180 countries, the ACCA qualification equips students with the skills, knowledge, and values needed to build successful careers in accounting, auditing, taxation, financial management, and consultancy.

Designed to be flexible and globally relevant, the ACCA syllabus covers a wide range of topics including financial reporting, management accounting, business law, and strategic performance.

Whether you're a recent graduate, working professional, or transitioning into finance, the ACCA course offers multiple entry points and study options, making it accessible worldwide. With strong employer recognition and opportunities across sectors, the ACCA qualification is a powerful stepping stone to career advancement and higher earning potential. At GLOBALFTI you get world class support in your ACCA journey, one can join us as our retail student or with any of our partner institutions in India.

Is ACCA Right for You? Let's Find Out – Who should Choose ACCA?

- ✓ Students who have completed higher secondary, +2 and are aspiring for global opportunities in Finance.
- ✓ Graduates and postgraduates aspiring for a career in Accounting and Finance.
- ✓ Students who are midway through their CA or CMA journey or facing completion challenges.
- ✓ CA India, CMA India and CS India qualified members looking for global careers.

Benefits of Pursuing ACCA

Global Career Opportunities

ACCA not only opens doors to international careers with over 7,200 employers in 180 countries, but also offers mutual recognition in several nations. As a result, you can migrate and work seamlessly in the industry or even establish your own practice with greater ease.

Earn 8 – 12 Lakhs per Year within 3 years

Within just three years of becoming an affiliate, you can significantly boost your earning potential. Moreover, the ACCA qualification opens doors to senior roles in the finance and accounts domains, thereby paving the way for a truly rewarding and fulfilling career.

Flexible Learning Path

Whether you are a student or a working professional, ACCA offers the flexibility to choose when to begin your qualification – be it right after 10th grade, post-graduation, or while you are already employed. Moreover, you can progress at your own pace, as exams are conducted four times a year, giving you the freedom to plan your studies effectively.

Progressive Curriculum

In today's dynamic world, staying ahead requires upgraded skills that prepare the next generation for an ever-expanding range of successful and fulfilling careers. With this in mind, the latest upgrade to the qualification seamlessly integrates sustainability, AI, social impact, and technology, thereby ensuring learners remain relevant and future-ready.

ACCA Course Structure

The ACCA qualification comprises 13 papers, carefully structured across three progressive levels:

- Applied Knowledge
- Applied Skills
- Strategic Professional

You must complete each level before advancing to the next, unless you are eligible for exemptions based on prior qualifications. This step-by-step approach ensures you build a strong foundation, advance your technical expertise, and finally develop the strategic thinking needed for leadership roles in finance and business.

- ✓ On Completion of Applied Knowledge Level candidate gets ACCA Diploma in Accounting and Business and becomes eligible for Applied Skills Level
- ✓ Applied Skills Level builds on Foundation Level Knowledge, developing practical skills.
- ✓ Strategic Professional Stage trains in Accounting, Leadership, and Management skills. It Includes 4 ACCA subjects, 2 compulsory and 2 elective.

ACCA Exemptions

Qualification	No of Exemption	Actual Exemption Fee

Leadership Level (10+ Yrs)	ACCA Member + Additional Certifications	INR 35 to 60 lakhs	CFO, Director of Finance, Senior Controller

Companies Hiring ACCA Members

From Our Achievers Desk

Mr Arundas Thottungal

“At GFTI, we had the privilege of being trained by highly experienced faculty with strong industry backgrounds, which played a key role in shaping my career in accounting. The institute always provided an open and supportive environment for study and practice. Along with adequate placement guidance, GFTI’s strong network of ACCA members and affiliates offered valuable insights and exposure to diverse opportunities and expertise.

Ms Zainab Salim

“GFTI truly left no stone unturned in preparing its students for success. The well-structured study sessions, combined with the guidance of excellent faculty, made my learning experience both enjoyable and rewarding. I am grateful to GFTI for helping me achieve my ACCA qualification. What stood out was how they made the preparation journey not just effective but also enjoyable—transforming it from a race into an expedition. With its exceptional mentoring and strong support system, GFTI made all the difference.

Ranjanaa Kanakasabapathy

“ I began my ACCA journey alongside my B.Com studies. Since ACCA is globally recognized and application-oriented, it has helped me build strong practical knowledge and exposure—skills that are highly valued in today’s corporate world. The faculty at GLOBALFTI are extremely knowledgeable and dedicated. They support students with personalized feedback, revision guidance, and a teaching approach that connects concepts with real-world scenarios.

Rajsee Bhagwat

“ As an ACCA member since 2019, I look back on my time at GFTI with great appreciation. The institute’s strong emphasis on conceptual learning provided me with a solid foundation that has been instrumental in advancing my career in audit and business consulting. I am deeply grateful to the faculty for their invaluable guidance and for helping me build a strong professional network. A special thanks to Nambiar Sir for his unwavering support, which continues even today. Choosing GFTI was one of the best decisions I made, as it truly fosters holistic development. I would highly recommend it to every aspiring professional.
